This diagram shows the handle assembly in an exploded perspective view. It includes a circular handle cap (8) at the left end, a long cylindrical handle tube (7) in the middle, and a shorter cylindrical component (6) at the right end. An arrow points from the handle tube (7) towards the shorter component (6), indicating their relative positions and assembly direction.

This diagram shows an exploded view of a mechanical assembly. It includes four main components labeled with numbers 1, 2, 7, and 8. Part 1 is a long, thin cylindrical rod with a small pin at one end. Part 2 is a similar rod with a different internal structure. Part 7 is a long, thin cylindrical rod with a small pin at one end. Part 8 is a long, thin cylindrical rod with a small pin at one end. The diagram also shows a central rectangular plate with a curved edge. Arrows indicate the assembly direction for parts 1, 2, 7, and 8. A table in the top left corner provides part numbers and quantities.
