EN NOTE:

1. Place the planting box on a flat surface before installation to ensure it is level and not tilted.
2. Align the caster base with the leg interface and secure them evenly after proper alignment.
3. Tighten the fittings evenly, avoiding applying force to only one side.
4. After assembly, gently shake the box to check its stability before use.

FR REMARQUE :

1. Placez le bac à fleurs sur une surface plane avant l'installation afin de vous assurer qu'il est bien à niveau et qu'il ne penche pas.
2. Alignez la base à roulettes avec l'emboîtement des pieds et fixez-les de manière uniforme une fois l'alignement effectué.
3. Serrez les fixations de manière uniforme, en évitant d'exercer une force sur un seul côté.
4. Une fois le montage terminé, secouez doucement le bac pour vérifier sa stabilité avant de l'utiliser.

DE HINWEIS:

1. Stellen Sie den Pflanzkasten vor der Montage auf eine ebene Fläche, um sicherzustellen, dass er waagrecht steht und nicht schräg ist.
2. Richten Sie den Rollfuß auf die Befestigungsstelle am Bein aus und befestigen Sie beide Teile nach der korrekten Ausrichtung gleichmäßig.
3. Ziehen Sie die Befestigungen gleichmäßig an und vermeiden Sie es, die Kraft nur auf eine Seite auszuüben.
4. Schütteln Sie den Kasten nach der Montage vorsichtig, um seine Stabilität vor der Verwendung zu überprüfen.

ES NOTA:

1. Coloque la jardinera sobre una superficie plana antes de montarla para asegurarse de que esté nivelada y no se incline.
2. Alinee la base con ruedas con la pieza de unión de las patas y fijelas de manera uniforme una vez alineadas correctamente.
3. Apriete los tornillos de manera uniforme, evitando ejercer fuerza solo en un lado.
4. Una vez montada, agite suavemente la jardinera para comprobar su estabilidad antes de usarla.

PT NOTA:

1. Coloque a caixa de plantio sobre uma superfície plana antes da montagem, para garantir que está nivelada e não inclinada.
2. Alinhe a base com rodízios com a interface das pernas e fixe-as uniformemente após o alinhamento correto.
3. Aperte os parafusos uniformemente, evitando aplicar força apenas num dos lados.
4. Após a montagem, agite suavemente a caixa para verificar a sua estabilidade antes de a utilizar.

IT NOTA:

1. Prima dell'installazione, posizionare la fioriera su una superficie piana per assicurarsi che sia in piano e non inclinata.
2. Allineare la base delle rotelle con l'attacco delle gambe e fissarle in modo uniforme dopo averle allineate correttamente.
3. Serrare i raccordi in modo uniforme, evitando di esercitare forza su un solo lato.
4. Dopo il montaggio, scuotere delicatamente la fioriera per verificarne la stabilità prima dell'uso.

RO NOTĂ:

1. Așezați ghiveciul pe o suprafață plană înainte de montare, pentru a vă asigura că este perfect orizontal și nu este înclinat.
2. Aliniați baza cu rotile cu punctul de fixare al picioarelor și fixați-le uniform după ce le-ați aliniat corespunzător.
3. Strângeți elementele de fixare în mod uniform, evitând să aplicați forță doar pe o singură parte.
4. După asamblare, scuturați ușor ghiveciul pentru a verifica stabilitatea acestuia înainte de utilizare.

PL UWAGA:

1. Przed montażem należy ustawić skrzynkę na płaskiej powierzchni, aby upewnić się, że jest wypoziomowana i nie jest przechylona.
2. Wyrównać podstawę kółek z mocowaniem nóg i po odpowiednim wyrównaniu zamocować je równomiernie.
3. Dokręcać elementy mocujące równomiernie, unikając wywierania nacisku tylko na jedną stronę.
4. Po złożeniu delikatnie potrząsnąć skrzynką, aby przed użyciem sprawdzić jej stabilność.
